A screenshot of the BlueStacks download page. On the left, there is the BlueStacks logo, which consists of four overlapping squares in green, yellow, red, and blue. Below the logo, it says "Windows 64 bit" with a small Windows logo icon. Underneath that, a paragraph reads: "The installer automatically detects the Operating System your device is running and chooses the right version of BlueStacks." Below this text is a green button with the text "Download BlueStacks". To the right of this button, a red arrow points towards the right. On the right side of the page, there is a section titled "Choose from". Under this title, there are two dropdown menus. The first is labeled "Operating System" and has a "Select" button. The second is labeled "Android Architecture" and also has a "Select" button. A vertical line separates the "Download BlueStacks" button from the "Choose from" section, with a white circle containing the word "OR" in the middle of the line.
